

Boost your career with the **IT CAREER PACKAGE**

Register for a select Training Course with an exam voucher and get a complimentary 12-month TechNet Subscription

Supplies are limited **Avail the OFFER!**

Get trained. Get certified. Get access to more than 77 software titles.

Get the skills and validation you need to make a big difference on your resumé and in your career. Whether you're purchasing a class with your own money, or need to give your employer a good incentive to invest in your training now, the Career Package with TechNet helps you to:

- ✓ **Beef up your resumé**
Acquire new knowledge, skills, and credentials relevant to your desired IT job role and career path.
- ✓ **Advance your career**
Show IT managers your motivation and progress. Individuals who receive technical training are better able to find and keep jobs.
- ✓ **Earn more**
Participants who are enrolled in technology-focused training programs earn up to 29% more than those who are not.

What's included in the Career Package with TechNet:

The banner is divided into three colored sections: red, blue, and green. The red section contains 'Microsoft TechNet Subscription' and '12-month subscription with more than 77 Microsoft software titles'. The blue section contains 'One Microsoft Official Course' and 'Choose a select course on one of these four popular technologies:'. The green section contains 'One Certification Exam Voucher' and 'Applies to any Professional-level Microsoft exam* and includes a free Second Shot.' Below the banner are logos for Windows 7, Microsoft SharePoint 2010, Windows Server 2008, and Microsoft SQL Server 2008.

Course Code	Microsoft Official Course	Duration	Exam Code
6231B	Maintaining a Microsoft SQL Server 2008 Database	5 days	70--432
